Dear Sir/Madam,

## **Access**

### A377 Cowley Bridge to Roundabout

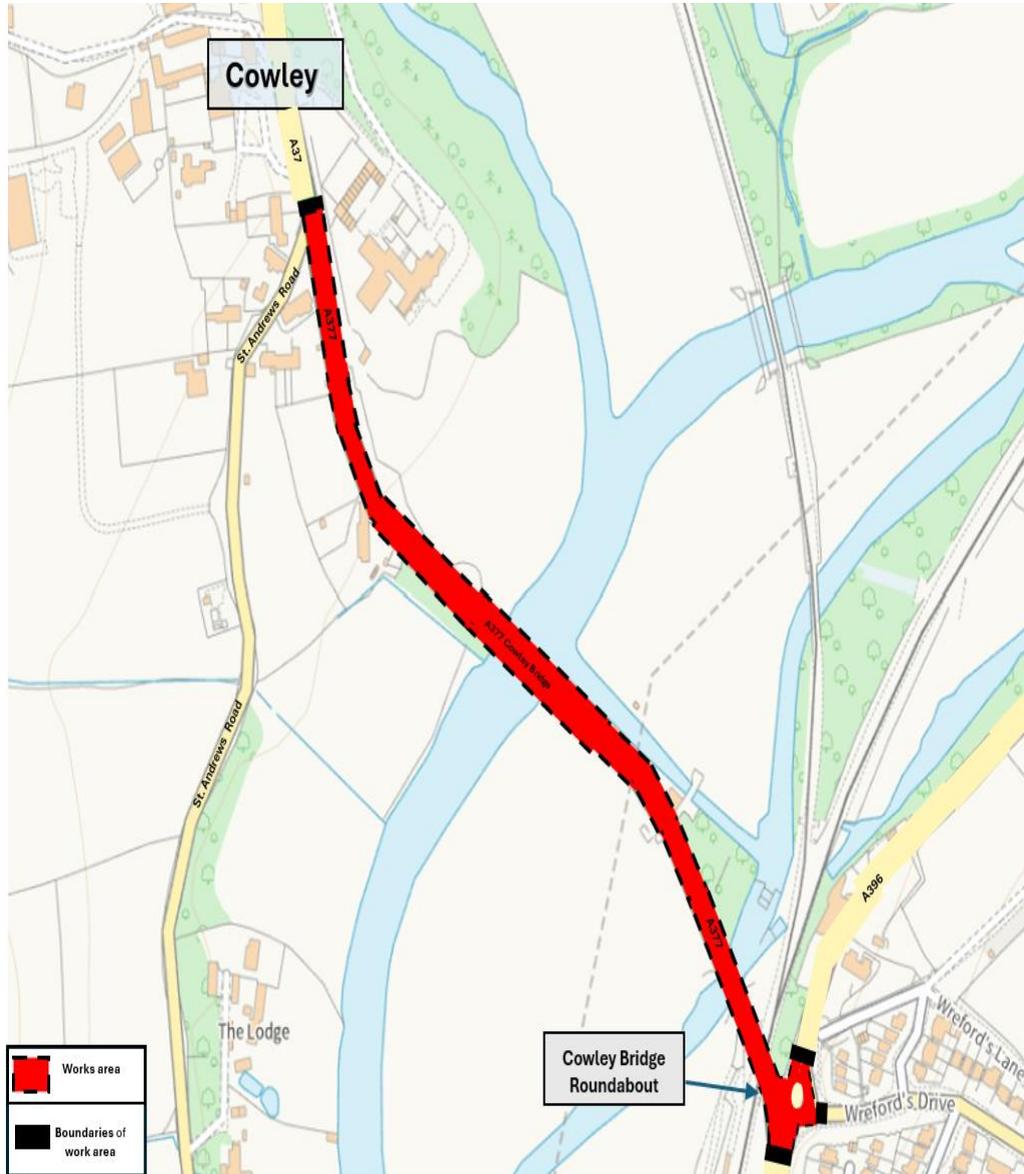

Between Tuesday 10<sup>th</sup> – Tuesday 24<sup>th</sup> March (weeknights only) the A377 from the junction with St. Andrews Road to the Cowley Bridge Roundabout will be closed from 20.00 - 06.00.

### Cowley Bridge Roundabout

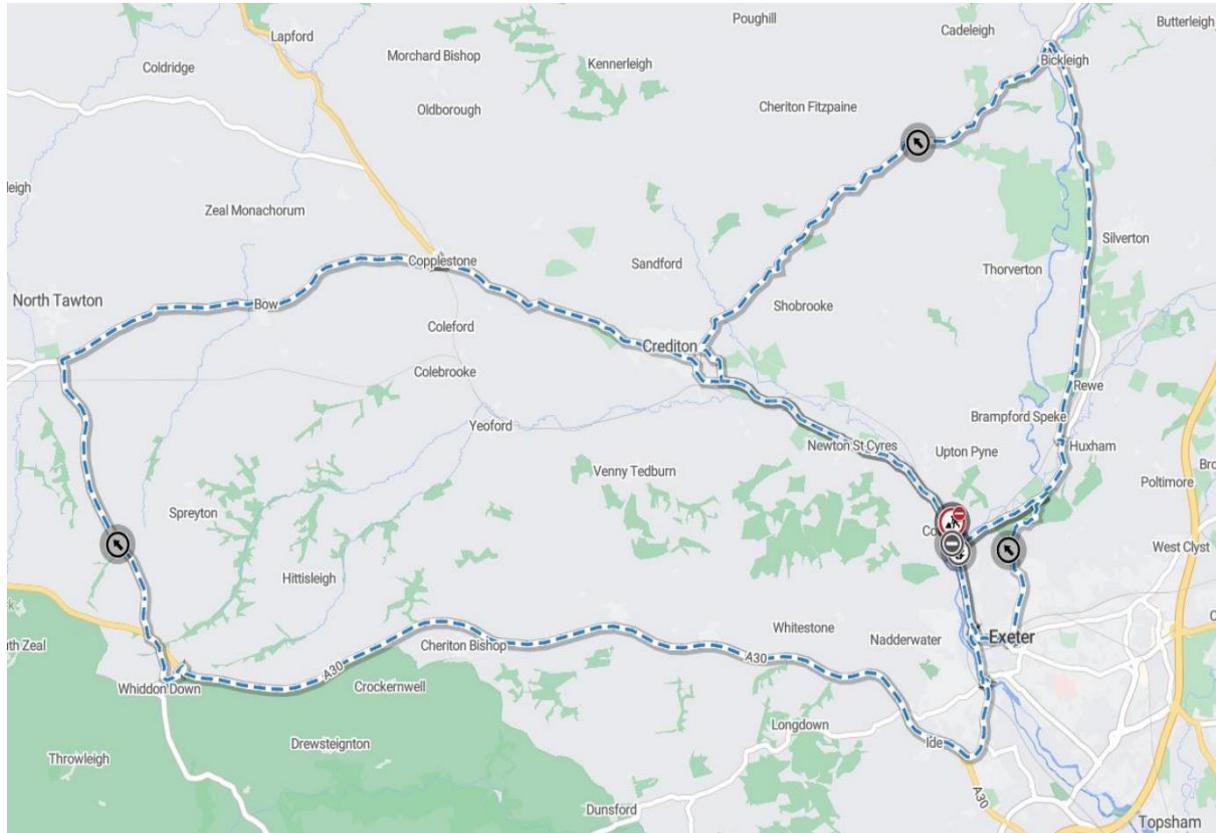

- For approximately the first 4 nights, 3-way temporary traffic lights are used to maintain access to the A396 Stoke Road and Wrefords Drive. Delays should be expected.
- For approximately the last 5 nights, the Roundabout will be closed from 22.00 - 06.00.

Please note the schedule might change as the work is weather dependent. Variable Message Signs in the vicinity of the work area will show the specific dates for the Roundabout closures. Access queries should be directed to our Contractor or an operative on site who will be glad to assist. Access for emergency vehicles will always be maintained.

Please see the works area marked in **red** on the map below.

Please see the road closure and works area highlighted in **red** on the map below, the signed diversion routes are shown in **blue**. Drivers with local knowledge may use alternative routes but these will not be advertised for safety reasons.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.
